Dear Court Clerk,

Petitioner is too Destitute to pay for postage of legal^{mail} for copies to each Defendant, and originals and copies of Guiverances and Appendix to the Court.

Prison still illegally requires funds from Indigent Petitioner, class of one, for all legal postage and legal supplies. Need preliminary injunction to mail documents at State expense as per law. (See Claim 16).

Can State Mail be used since Petitioner is a ward of the State? (That is State property)

Proper relief requested. Turn this into a legal motion as needed please.

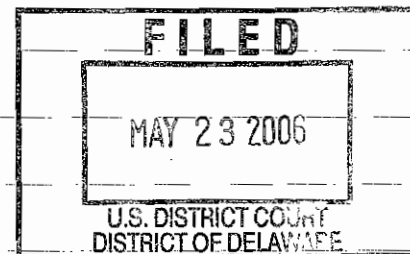

Sincerely Yours,

Dettel F. Hartmann, 229843
